

Region 2 5A Tournament @ Allen, TX

April 17 - 19, 2017

The Texas High varsity tennis team competed in the Region 2 5A tournament in Allen. We were rained out for the most part yesterday and played through the semis today.

Griffin Johnson in Boys Singles had a win over Dallas Seagoville 6-3, 6-0. He then lost #3 seeded Quinn LaPointe from Frisco Independence 6-1,6-1...but really proud of the fight he displayed in the match and throughout the year.

Tirzah Bailey/Elizabeth Sanders in Girls Doubles lost to a very tough seeded Lovejoy team Hayward/Benigno by the score of 6-0,6-2. This concluded their very successful Spring season as a Doubles team. **Elizabeth** wrapped up her 4th year of Varsity tennis....she will definitely be missed.

Seniors...Ali Richter/Cullen Schoen in Mixed Doubles defeated a Highland Park team in the first round by the score of 6-3,6-0. They then defeated a very tough Red Oak team by the score of 7-5,4-6,6-4...a great win. They lost to #1 seeded Dallas Hillcrest team of Gilliam/Kohrs in the semifinals by the score of 7-5,6-2. **They will face Prosper team in 3rd place match tomorrow at 9 AM.**

Quinn Sanders/Walker Trippe in Boys Doubles defeated a tough Reedy team by the score of 6-4,6-0. They then defeated Burleson Centennial team 6-1,6-0. In the semifinals...they came through against #2 seeded Highland Park team by the score of 3-6,6-3,6-3. **They will play #1 seeded Lovejoy in the finals at 9 AM tomorrow.**
