

# Region 2 5A Tournament @ Allen, TX

*April 17 - 19, 2017*

The Region 2 5A Tennis tournament concluded on Wednesday in Allen.

**Ali Richter/Cullen Schoen** in Mixed Doubles finished 3rd in the Region with a win over a tough Prosper team by the score of 6-4,7-6. This concludes these two's fantastic high school tennis careers. We really couldn't ask for a better group of seniors than these two along with **Elizabeth Sanders**...these three will be tough to replace for sure.

**Quinn Sanders/Walker Trippe** finished 2nd in Boys Doubles with a loss to #1 seeded Lovejoy in the finals by the score of 7-6,6-2. **This 2nd place finish qualifies them for the state tournament which will be held in College Station on May 18 & 19.** This is quite a great accomplishment for these two freshmen in probably one of the toughest regions in the state.
