

Texas High vs. Corsicana/Mansfield

August 19, 2016

The Texas High Varsity tennis team just opened their fall team tennis season with two quality wins against Corsicana and Mansfield. The team defeated Corsicana by the score of 10-3 and Mansfield by the score of 10-2. The team performed pretty well considering it was their first competitions of the season..especially the boys. There are definitely a few things that were recognized that we need to improve on as we progress through the season. The team will next host Arkansas High on Tuesday.
