

10/21/16

Texas High vs. Highland Park Area Tournament

The Texas High Varsity Tennis Team competed in the finals of the area tournament Friday morning against top ranked Highland Park at the Highland Park courts. The Tigers fought and competed in every match but fell by the score of 10-2. We are very pleased about the effort...no player gave in after losing tough first sets. The coaches look forward to seeing what this team can do at the Regional tournament next week...the team is really playing at a high level. The Regional tournament will be next Thursday and Friday in Allen.
