

# **Midlothian Invitational**

*Mar. 10, 2022 @ Midlothian*

The Texas High Varsity Tennis team traveled to Midlothian to compete in the Midlothian Invitational on Thursday. It was another high quality tournament, which was another opportunity for these Tigers to get better. I thought we took advantage of that opportunity. We won and lost some tough ones. We are playing better at the right time as we move towards the District tournament later this month.
