

5A Regional Tournament

Apr. 12, 2022 @ Melissa

The Tigers competed at the Regional tournament in Melissa on Tuesday. These kids represented Texas High with so much class and fight today. They've come so far this Spring. Very proud of this group. They've been so fun to work with.

James Thomson and **Maddy Bixler/Grace Wilson** both fell to the #2 seeds in their first matches but not without a battle.

Lakyn Austin won her first match and then lost a very tough match to # 2 seed.

Marlee Bledsoe won her first two matches before falling to #1 seed in semifinals. Marlee will play for 3rd place tomorrow morning at 8:30.
