Use of School Facilities
REGULATIONS

The attached rental fee schedule is considered a part of this regulation. Board policy GDK local is summarized below and contains the conditions for renting school buildings and facilities.

School buildings or facilities shall be made available at a rental charge commensurate to operating cost to citizens, service, and church groups subject to the following conditions:

1. The activity shall not interfere with the normal use of the building by school personnel, nor shall the use of the facility cause wear judged harmful to the facility.
2. The request for the use of the building for the designated purpose shall be approved in accordance with the administrative procedures of the District.
3. The group sponsor, chairperson, or leader shall be responsible for the facility being used.
4. The group or organization renting the school facility shall be held responsible for any damage to the facility during the use of the building. Groups using a building for an occasion that the public is eligible to attend shall be held responsible for treatment of the property on the part of the general public during the rental period.
5. All rental applications shall be accompanied by a deposit which shall be held until final settlement.
6. No classrooms shall be rented, or areas where personal property is not properly secured.
7. The possession or consumption of alcohol is prohibited on all school premises. The use of tobacco products is strictly prohibited on all TISD owned or controlled property.
8. Food consumption shall be regulated by administrative procedures. Contact must be made with the director of food services for kitchen use. Use of school food service equipment shall be made under the supervision of food service personnel; arrangements shall be made through the director of food services. Food service personnel shall be compensated at the rate of one and one-half times his/her hourly rate. This rate is in addition to that charged for building use.
9. No facility shall be rented for the purpose of a public dance.
10. Rental areas are to be left clean after use, and a member of the school maintenance staff shall be compensated by the rental group.

General Conditions

Group Classification	<p>Classification I - Nonprofit groups and activities serving the youth of the District and those activities sponsored by school-related groups. The school facilities shall be made available at no cost during normal school days and hours for groups in this classification, but activities should not conflict with the daily operation of the school.</p> <p>Classification II - Nonprofit groups and activities serving the youth of the community but not limited to the District. Classification II shall be charged incremental costs during normal school days and hours and personnel plus incremental costs at other times.</p> <p>Classification III - Nonprofit groups and activities serving the entire community of all ages but not limited to the District. Classification III shall be charged for personnel and maintenance costs during and after the normal school day.</p> <p>Classification IV - All other groups and activities.
