**TISD PARTNERS IN EDUCATION BUSINESS LUNCHEON**  
**TO BE HELD FEBRUARY 2**

**Texarkana, TX** – The Texarkana Independent School District Partners In Education will host their quarterly Business Luncheon on Wednesday, February 2 from Noon – 1:00 p.m. at the TISD Services Building, 1600 Waterall. The guest speaker for the luncheon will be Kevin McCarty, TISD Coordinator of Quality Assurance on the recently developed Knomi program.

The Partners In Education (PIE) program enriches and maximizes the educational experiences of students by developing cooperative relationships with among businesses, parents and community members. These partnerships flourish because the community aligns its resources with school district's needs. The efforts of one person, one company or one organization can change the life of a student and make a dynamic difference in a program or a school.

Partners In Education support campus and district goals through one-time or occasional offers of assistance such as providing volunteers, tutors, incentives, career day resources, company tours, field trip support or cash and/or in-kind donations.

For more information on the Business Luncheon or how to become a TISD Partners in Education, contact Jo Ann Rice at 903.794.3651 ext. 1035.
