**BUOYANCY SHOWCASED DURING
INNOVATIVE CONNECTIONS ACADEMY AT DUNBAR INTERMEDIATE CENTER
ENGINEERING EXPLORATION**

Texarkana, TX – Parents/Guardians of Third Grade students at the Innovative Connections Academy at Dunbar Intermediate Center will have an opportunity to see and learn more about the Engineering Process and Buoyancy during their upcoming Engineering Exploration Evening.

The event will be held Thursday, November 10 from 5:00 – 6:30 p.m. at the school campus, 2315 West 10th Street. Complimentary Frito Pie will be served following the engineering exploration.

Student engineers will showcase problems and solutions of keeping a rock from sinking through the “Will It Sink or Float” demonstration

For more information, contact 903.794.8112.
