

Curriculum Mastery

Promotion and course credit shall be based on mastery of the curriculum. Expectations and standards for promotion shall be established for each grade level, content area, and course and shall be coordinated with compensatory, intensive, and/or accelerated services. [See EHBC] The District shall comply with applicable state and federal requirements when determining methods for students with disabilities [see FB] or students who are English language learners [see EHBE and EKBA] to demonstrate mastery of the curriculum.

Students Receiving Special Education Services

Any modified promotion standards for a student receiving special education services shall be determined by the student's admission, review, and dismissal (ARD) committee and documented in the student's individualized education program (IEP). [See EHBA series and EKB]

Standards for Mastery

In addition to the factors in law that must be considered for promotion, mastery shall be determined as follows:

1. Course assignments and unit evaluation shall be used to determine student grades in a subject. An average of 70 or higher shall be considered a passing grade.
2. Mastery of the skills necessary for success at the next level shall be validated by assessments that may either be incorporated into unit or final examinations, or may be administered separately.
3. Mastery of at least 70 percent of the objectives shall be required.

Kindergarten

The report card for kindergarten shall be a standards-based continuum derived directly from the Texas Essential Knowledge and Skills (TEKS). A student's performance shall be assessed as Level 0–Did Not Attempt, Level 1–Significantly Below Standards, Level 2–Approaching Grade-Level Standards, Level 3–Meets Grade-Level Standards, and Level 4–Accomplished Grade-Level Standards. In order to be promoted to grade 1, the final column of the student's report card shall reflect the following:

4. No more than four standards marked below a Level 3 in reading.
5. No more than two standards marked below Level 3 in language arts.

7. ~~For students in grade 8, successful completion of the state-mandated assessments in reading and mathematics [see EIE (LEGAL) and Grade Advancement Testing, below].~~ (suspended for the 2020-21 school year)
8. In addition to the above requirements, the principal may consider assessment data in making recommendations to parents regarding retention.

Grades 9–12

Grade-level advancement for students in grades 9–12 shall be earned by course credits. [See EI] On the Texas High School campus, changes in grade-level classification for grades 9 and 11 shall be made prior to the beginning of the fall semester. Changes in grade-level classification for grade 10 shall be made prior to the beginning of the fall semester and at the beginning of the spring semester. On the OPTIONS campus, changes in grade-level classification shall be made on October 1, February 1, and May 1. Students shall be classified according to the following criteria:

- Freshman: 0–5.5 credits
- Sophomore: 6–11.5 credits, entering second year in an accredited high school
- Junior: 12–17.5 credits, entering third year in an accredited high school
- Senior: 18 or above credits, entering at least third year in an accredited high school and declaring intent to graduate during the current school year

Students transferring into the District shall be classified according to the documented number of credits earned by the date of transfer and by the number of years in attendance in an accredited high school, as listed above. If no official transcript is available by the date of enrollment, a transfer student shall be enrolled as a freshman and shall be placed in freshman-level classes pending receipt of the official transcript.

Accelerated Instruction

If a student fails to demonstrate proficiency on a state-mandated assessment, the student shall be provided accelerated instruction in accordance with state law. ~~Additionally, students in grades 5 and 8 shall be subject to all provisions of Grade Advancement Testing, below.~~ (suspended for the 2020-21 school year)

Grade Advancement Testing

~~Except when a student will be assessed in reading or mathematics above his or her enrolled grade level, students in grades 5 and 8 must meet the passing standard on the applicable state-mandated assessments in reading and mathematics to be promoted to the next grade level, in addition to the District's local standards for mastery and promotion.~~ (suspended for the 2020-21 school year)

Definition of "Parent"

For purposes of this policy and decisions related to grade advancement requirements, a student's "parent" shall be defined to include either of the student's parents or guardians; a person designated by the parent, by means of a power of attorney or an authorization agreement as provided in Chapter 34 of the Family Code, to have responsibility for the student in all school-related matters [see FD]; a surrogate parent acting on behalf of a student with a disability; a person designated by the parent or guardian to serve on the grade placement committee (GPC) for all purposes; or in the event that a parent, guardian, or designee cannot be located, a person designated by the Superintendent or designee to act on behalf of the student. [See EIE(LEGAL)]

Alternate Assessment Instrument

~~The Superintendent or designee shall select from the state-approved list, if available, for each applicable subject an alternate assessment instrument that may be used for the third testing opportunity. Each student's GPC shall decide whether he or she shall be given the statewide assessment instrument or the applicable alternate instrument for the third testing opportunity. The committee's decision shall be based on a review of the student's performance in the previous testing opportunities, local assessments, and any other circumstances it deems appropriate.~~ (suspended for the 2019-20 school year)

Standards for Promotion Upon Appeal

~~If a parent initiates an appeal of his or her child's retention following the student's failure to demonstrate proficiency after the third testing opportunity, the GPC shall review all facts and circumstances in accordance with law.~~ (suspended for 2019-20)

~~The student shall not be promoted unless:~~

- ~~1. All members of the GPC agree that the student is likely to perform on grade level if given additional accelerated instruction during the following school year in accordance with the educational plan developed by the GPC; and~~
- ~~2. The student has completed required accelerated instruction in the subject area for which the student failed to demonstrate proficiency.~~

~~Whether the GPC decides to promote or to retain a student in this manner, the committee shall determine an accelerated instruction plan for the student for the following school year, providing for interim reports to the student's parent and opportunities for the parent to consult with the teacher or principal as needed. The principal or designee shall monitor the student's progress during the following school year to ensure that he or she is progressing in accordance with the plan. (suspended for the 2019-20 school year)~~

~~Transfer Students~~

~~When a student transfers into the District having failed to demonstrate proficiency on applicable assessment instruments after two testing opportunities, a GPC shall convene for that student. The GPC shall review any available records of decisions regarding testing and accelerated instruction from the previous district and determine an accelerated instruction plan for the student.~~

~~If a parent initiates an appeal for promotion when a student transfers into the District having failed to demonstrate proficiency after three testing opportunities, the GPC shall review any available records of decisions regarding testing, accelerated instruction, retention, or promotion from the previous district and issue a decision in accordance with the District's standards for promotion. (suspended for the 2019-20 school year)~~

Assignment of Retained Students

A student not promoted to the next grade level shall remain at the same campus or shall be assigned to a similar campus setting.

Reducing Student Retention

The District shall establish procedures designed to reduce retaining students at a grade level, with the ultimate goal being elimination of the practice of retaining students. [See EHBC]
