*Salary adjustment through HB3646 will not take effect unless the commissioner determines that the pay increases are an allowable use of federal stimulus funds under the American Recovery And Reinvestment Act of 2009. The commissioner cannot make this determination until the state's application to spend ARRA funds is approved by the United States Government. Salary adjustment will be minimum of \$800 or possibly more when final calculations are determined by the state. If approved, salary adjustment will be payable 50% in Dec 2009 and 50% in May 2010.
