

Texarkana

Independent School District

WORKERS' COMPENSATION APPROVED DOCTORS

Texarkana ISD has chosen the Political Subdivision Workers' Compensation Alliance (The Alliance) to manage the health care and treatment employees may receive if injured at work. For emergencies, you may go to CHRISTUS St. Michael Health Center or Wadley Regional Medical Center. Otherwise, you must choose a treating doctor from the list on the website below. If you need a specialist, your treating doctor must refer you from the list of approved Alliance specialist providers.

IN THE CASE OF A SEVERE EMERGENCY, please seek treatment at the nearest emergency room (CHRISTUS St. Michael Health Center or Wadley Regional Medical Center.)
Please ensure you take the Medical Verification Form with you and ensure the provider knows you are a Workers' Compensation patient.
