The TISD Board of Trustees approved the development of the Tiger Pride Commission during their December 15, 2009 regular session. The citizens committee is open to all who are interested and would like to be involved in reviewing and prioritizing areas of significant interest as TISD develops plans for the next decade of educational excellence for students.

**-MORE-**

Participants will help to determine and assess the needs of the school district as well as the financial alternatives that can be supported by the community in order to meet those needs. Members will analyze capital project needs, study facilities usage, enrollment growth and the district's projected needs for the next ten years. They will work diligently with staff and focus on the more critical needs of the district infrastructure.
