

Waco Mike Nesbit Tournament

Mar. 25, 2022 @ Waco

The Texas High Varsity Tennis team traveled to Waco on Friday to compete in the Mike Nesbit tournament. This was the highest level event our kids have played in this Spring. The tournament consisted of 30 draws with a total of 25 teams participating. Great match play before we head to Longview for the District tournament on Monday and Tuesday. We look forward to seeing these Tigers compete next week.
